

Boon Edam

<u>Part #</u>	<u>Description</u>	<u>List Price</u>
TUT-50E	TUT-50E: 3-arm mechanical waist-high turnstile, 18" Long, 7" Wide, 18" Arms, Black Powder Coated/#4 Stainless Steel finish, 1-way card access, time delay relay, pulse relay, Low-Medium throughput applications	\$ 2,955
TUT-60ES	TUT-60ES: 3-arm mechanical waist-high turnstile, 27" Long, 7" Wide, 18" Arms, #4 Stainless Steel finish, 1-way or 2-way card access, time delay relay, pulse relay, Medium-High throughput applications	\$ 3,975
TST-75ES	TUT-75ES: 3-arm mechanical waist-high turnstile, 36" Long, 8" Wide, 20" Arms, #4 Stainless Steel finish, 1-way or 2-way card access, time delay relay, pulse relay, High throughput applications	\$ 4,395
TST-75ESDA	TUT-75ESDA: 3-arm mechanical waist-high turnstile, 36" Long, 8" Wide, 20" Arms, #4 Stainless Steel finish, 1-way or 2-way card access, time delay relay, pulse relay, High throughput applications	\$ 6,345
TST-75ESRN	TUT-75ESRN: 3-arm mechanical waist-high turnstile with Rounded End Cabinet design, 36" Long, 8" Wide, 20" Arms, #4 Stainless Steel finish, 1-way or 2-way card access, time delay relay, pulse relay, High throughput applications	\$ 6,307
TST-75ESRNDA	TUT-75ESRNDA: 3-arm mechanical waist-high turnstile with Rounded End Cabinet design, 36" Long, 8" Wide, 20" Arms, #4 Stainless Steel finish, 1-way or 2-way card access, time delay relay, pulse relay, High throughput applications	\$ 8,257
THG-42ES	THG-42ES: Manual Waist High, ADA Swing Gate, Provides 32" Clear Opening for ADA Access, 1-way Swing only, #4 Stainless Steel Finish, 24VDC Power Supply, In-Ground Hydraulic closer, Magnetic Locking	\$ 4,264
TST75-DC	Dummy Cabinet to create lane walkway	\$ 1,952
TST75RN-DC	Round End Dummy Cabinet to create lane walkway	\$ 3,532
Speedlane 2048	Speedlane 2048: First Lane Configuration (2 Cabinets), 27" Long, 9"Wide, Non-Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$ 10,473
Speedlane 2048-a	Speedlane 2048-a: Inter-lane Configuration (1 Cabinet), 27" Long, 9" Wide, Non-Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$ 7,927
Speedlane 900	Speedlane 900: First Lane Configuration (2 Cabinets), 54" Long, 15" Wide, Sliding Glass Barrier Optical Turnstile, LED indicator lights, #4 Stainless Steel finish, Corian Top cover	\$ 30,228

Speedlane 900-W	Speedlane 900W: First Lane Configuration (2 Cabinets), 54" Long, 23" Wide, ADA passage width = 36", Sliding Glass Barrier Optical Turnstile, LED indicator lights, #4 Stainless Steel finish, Corian Top cover	\$	33,831
Speedlane 900-a	Speedlane 900-a: Inter-Lane Configuration (1 Cabinet), 54" Long, 12" Wide, Sliding Glass Barrier Optical Turnstile, LED indicator lights, #4 Stainless Steel finish, Corian Top cover	\$	22,056
Speedlane 996BPL	Speedlane 996BPL: First Lane Configuration (2 Cabinets), 54" Long, 12" Wide, "Angel Wing" Barrier Optical Turnstile with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$	24,355
Speedlane 996BPL-W	Speedlane 996BPL-W: First Lane Configuration (2 Cabinets), 54" Long, 18" Wide, ADA passage width = 36", "Angel Wing" Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$	26,379
Speedlane 996BPL-a	Speedlane 996BPL-a: Inter-Lane Configuration (1 Cabinet), 54" Long, 12" Wide, "Angel Wing" Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$	18,584
Speedlane 996HBG2	Speedlane 996HBG2: First Lane Configuration (2 Cabinets), 54" Long, 20" Wide, Sliding Glass Barrier Optical Turnstile with Oval shaped cabinet design, High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover. Note: Lane Width can vary from 22" up to 36"	\$	29,940
Speedlane 996HBG2-a	Speedlane 996HBG2-a: Inter-Lane Configuration (1 Cabinet), 54" Long, 20" Wide, Sliding Glass Barrier Optical Turnstile with Oval shaped cabinet design, High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover. Note: Lane Width can vary from 22" up to 36"	\$	24,039
Speedlane 996DA	Speedlane 996DA: First Lane Configuration (2 Cabinets), 45" Long, 9" Wide, Drop Arm Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$	24,823
Speedlane 996DA-a	Speedlane 996DA-a: Inter-Lane Configuration (1 Cabinet), 45" Long, 9" Wide, Drop Arm Barrier Optical Turnstile, with High Density Beam detection, LCD Screen, #4 Stainless Steel finish, Corian Top cover	\$	20,063
Winglock 900	Winglock 900: 36" Automatic, 2-way Swinging Glass gate, #4 Stainless Steel finish, Provides ADA Access lane, requires 208V	\$	8,515
<u>Optional Items:</u>			
Control Panel	Desk Mounted Turnstile Control Panel with multi-lane capability (up to 4 lanes) - PRICE PER LANE	\$	496
Filler Rail per linear Foot	Filler Rail per linear Foot- includes glass or polycarbonate filler material and stainless steel rails.	\$	426
Flush Mounting of Card Reader	Optional Flush Mounting of Card Reader- includes factory mounting, bracket and lexan cover - PRICE PER TURNSTILE	\$	374
Digital Counter	Digital Counter for turnstiles- PRICE PER TURNSTILE	\$	174
